Which activities and/or assignments helped you learn the most?

Completing the Pre-discussion assignment.

Q4 - What changes would you make to improve your learning experience in this discussion session?

What changes would you make to improve your learning experience in this discussion session?

Not do a post-discussion assignment. Or if you must, make the whole TA discussion process count towards our grade.

Q5 - Any additional feedback you would like to provide?

Any additional feedback you would like to provide?

It was weird to do the assignments and go to the sessions and not get any extra credit especially compared to students who never attended a discussion section. We knew there was no penalty to not do these assignments but I felt bad not to. Again, overall it was helpful but I would have preferred it count for something.
